5 places your fleet loses money

And the rule Fleetana uses to catch each one.

01 Fuel

02 Service

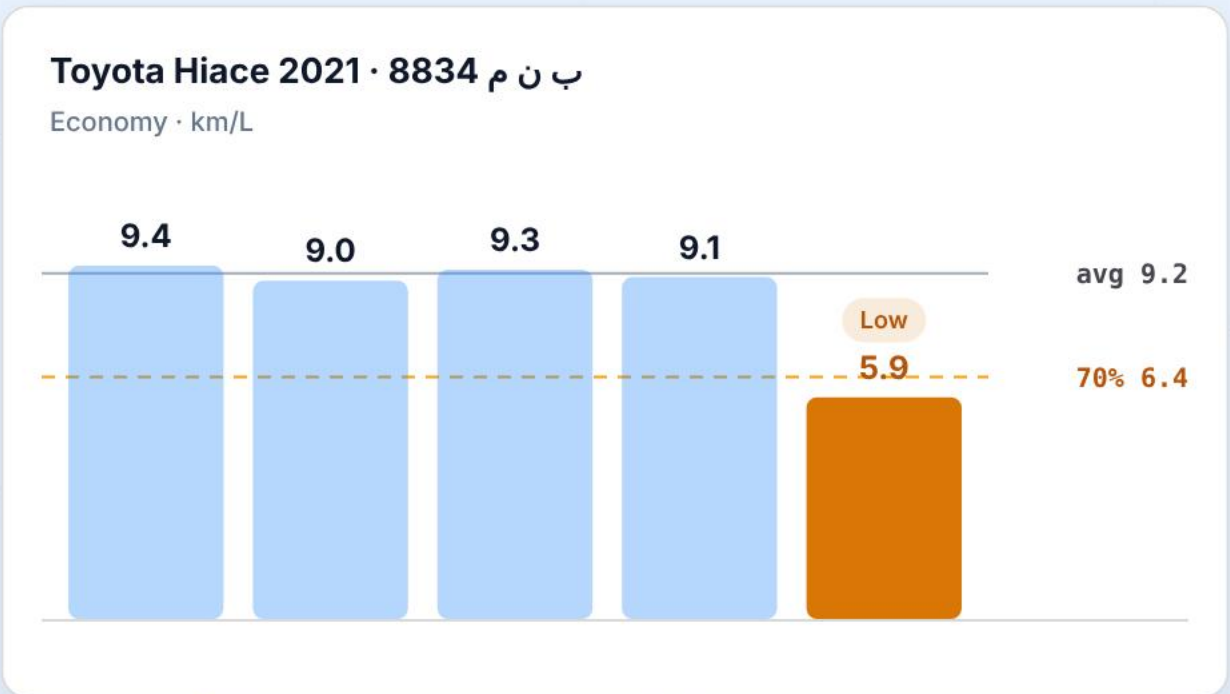

03 Papers

04 Idling

05 Warranty

01 Fuel

Fill-ups that don't add up.

Economy below 70% of the vehicle's 30-day average is flagged Low.

02 Service

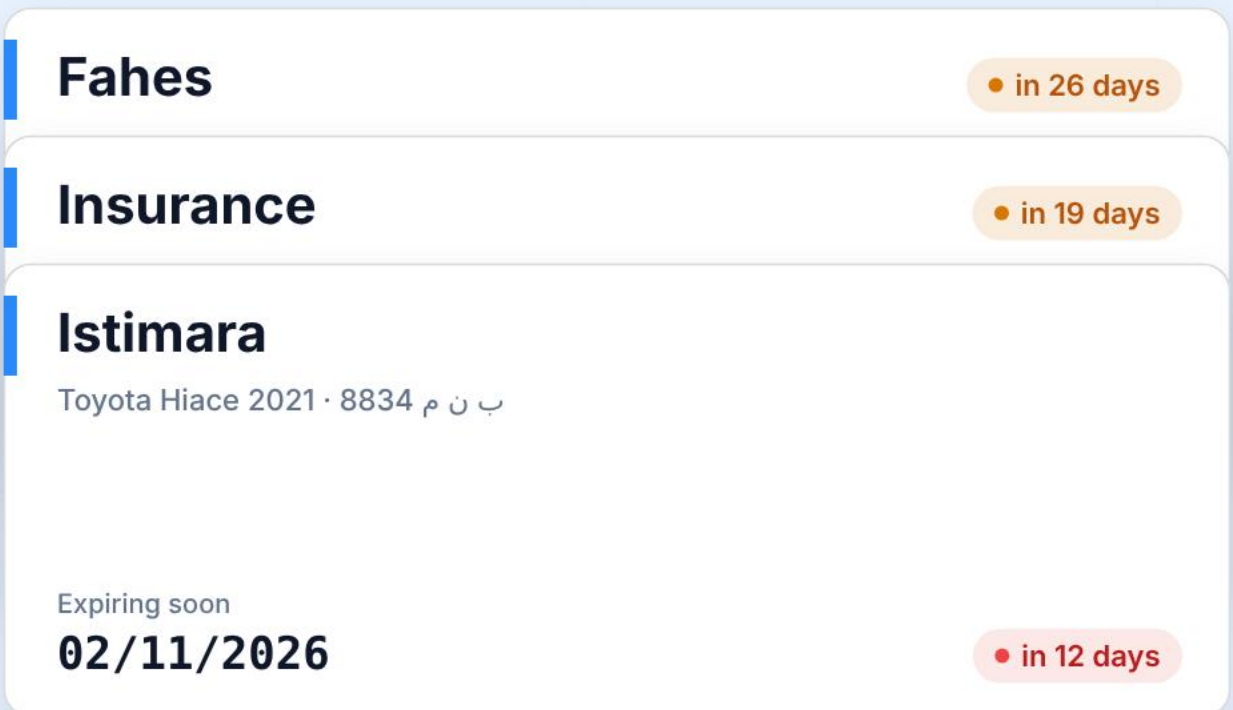

Service that slips past due.

Vehicle	Task	Due at	Status
Hilux 2022	Engine oil & filter	90,000 km	Overdue
Isuzu NPR 2020	Brake inspection	1,200 h	Overdue
Hiace 2021	Tyre rotation	01/11/2026	Due soon
Hiace 2022	Air filter	110,000 km	Upcoming

Reminders by km, engine hours or date, whichever comes first. Overdue shows on your dashboard.

03 Papers

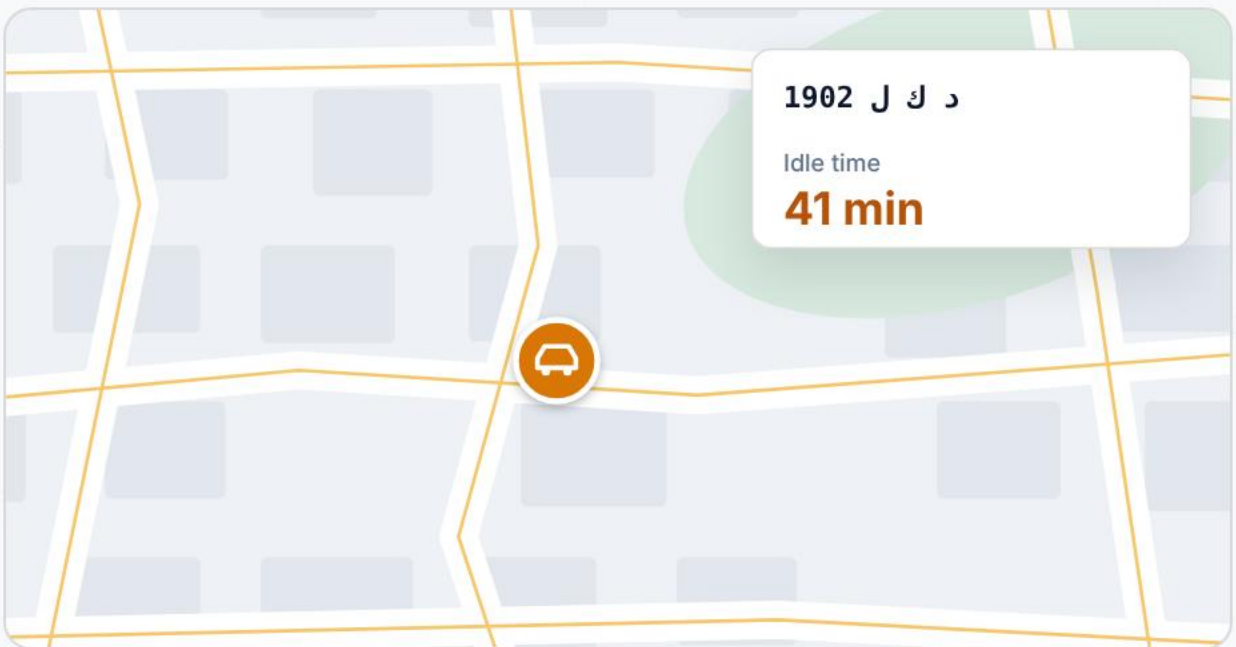

Papers that quietly expire.

Istimara, insurance and Fahes dates on every vehicle, listed 30 days before they expire.

04 Idling

Engines running while parked.

Requires a GPS tracker

Idle time per trip and per day, from the vehicle's GPS tracker.

05 Warranty

Repairs still under warranty.

WO-000123

Brake pad set **SAR 420.00**

● Warranty · active until 14/03/2027

Warranty periods on parts and work orders, so you can check before you pay.

FLEETANA

Find the leaks.
Fix them.

Get your fleet off spreadsheets.
